Parent School Lunch Information Sheet

How do parents set up their child's new lunch account?

- All Parents will need to go on-line to www.slalunch.com. Here you will register for the lunch program and add your children to your account.

DO NOT DEPOSIT MONEY INTO YOUR STUDENT'S ACCOUNT ON-LINE.

- Your student's PIN will then be e-mailed directly to you.

How do parents deposit funds into their students accounts:

- The attached order form will be the **ONLY** method available for depositing funds into your child's account. Complete this form and return it, along with attached payment, to school with your student.

How does my child pay for their lunch?

- In the lunch line your child will simply enter their PIN into a PIN pad which will automatically charge lunch account.

Please Note:

Cookies and extra milks will continue to be available for cash only.

DO NOT replenish your child's lunch account on-line. To ensure proper credit of funds to your account, you must use the attached order form and submit to school.

Please remind your child that their PIN should be kept private. Do not share the PIN with anyone.

You will be able to monitor your child's lunch activity online 24 hours a day at www.slalunch.com. Please maintain your student's account to ensure your child has funds available to purchase lunch.

We at SLA look forward to having a great year and thank you for your support.
